was crude at its best. We know it is the fashion to praise everything that is old, but it isn't fair.

OUR STATIONERY

is entitled to as much respect as that of Washington's time. It is just as good and infinitely more graceful and pretty. Cheaper, too, by a great deal. Want some?

TO PROCLAIM THE EVANGEL.

Union Meetings of Three of the Churches
at the Congregational Church.

Three of the churches of the city, the
Baptist, Methodist and Congrega-
tional, have arranged to hold union
meetings on Thursday evenings for the
present. The first meeting will be in
the Congregational church, Thursday,
Feb. 23, commencing at 7:30 o'clock.
The pastors issue the following statement
regarding them:

The one object in mind is to make
the churches helpful to the people of
the city. We especially wish to ask
those who do not attend church to
come to these meetings. It will be our
aim to give a sincere, brotherly welcome
to all. We shall try to preach the Gos-
pel of Jesus, in the spirit of Jesus.
More than this, we shall endeavor to
live and work in his spirit. To any
who may care for it. As we know
our hearts, there is no soul in the
city we would not serve, should the
opportunity be ours. Of course we are
but human; we make mistakes; we
have our difficulties; we cannot hope to
be understood. But we sincerely wish
to represent Him who went about doing
good; to be meek and lowly of heart,
as He was; to serve our fellows in
His name. In short, we preach not our-
selves but Christ Jesus as Lord, and
ourselves your servants for His sake.
To one and all we say, Come to our
meeting; let us get acquainted with
you; consider us eager to serve you as
ministers of Christ.

HOTEL MEN WARNED

Called Before Attorney General at Brat-
tleboro.

Brattleboro, Feb. 19.—George Dan-
yew, keeper of the American House, and
Bisset & Sullivan, lessees of the Brat-
tleboro House, were summoned before
the board of license commissioners last
night and were questioned by Atty.
Gen. Clarke C. Fitts in regard to the
conduct of their business. Complaint
had come to Mr. Fitts that the hotel-
keepers had sold liquor to young men
excessively, and on various occasions
had given them rooms at the hotels
when they were too drunk to go home,
keeping them over night, their where-
abouts being unknown to their parents.
The hotelkeepers denied this, but when
an examination of their hotel registers
was begun they admitted that they had
done so. No formal action was be-
gun against them, but they were not-
ified by the commissioners and Atty.
Gen. Fitts that that sort of thing must
cease at once or their licenses would
be revoked.

Promising Outlook in Montpelier.

The granite industry in Montpelier,
says the Argus, looks very promising
for the coming season. The manufact-
uring plants, which number about 25,
are receiving a plentiful supply of or-
ders from all parts of the country for
spring and summer shipment. Every
day many carloads of finished granite
pass through this city from Barre and
the local plants are consuming many
carloads of rough stock each week. More
than the usual number of granite cutters
are finding employment in the sheds and
several firms are expecting to put on
an extra force next month. Already
empty tenements on Barre street and
vicinity are very scarce, which fact will
probably be taken advantage of by the
builders this summer. The general out-
look for Montpelier's most valuable in-
dustry appears to be very favorable for
both cutters and manufacturers if no
unforeseen trouble occurs.

NOTICE.

ment will be given Wednesday and Fri-

Keep Thinking About It.

Cough Syrups that are constipating
leave the stomach and bowels in a

Men Growing Weaker

Strenuous Life is Using Up Their
Vital Forces and Energy Faster
Than Nature Replaces Them.

As a result many are being stricken
with paralysis, locomotor ataxia, and
nervous prostration. To overdo any-
thing is harmful, and a continuation
of it will wear out the strongest man.
Overwork, worry, brain-tire, high liv-
ing, dissipation and other excesses
and abuses waste away the most vital
elements of the blood, brain and nerve
forces, and disease sets in. At first
there will be a general indisposition,
poor appetite, indigestion, severe
headache, wakefulness and weakness
in the back and spine, the temper irri-
table, the spirits depressed, the mem-
ory poor and the mind weakened, end-
ing in premature decline or decay.
Dr. Chase's Blood and Nerve Food is
composed of the same elements that
have been wasted and worn out in the
blood, brain and nerves. By making
new blood it turns weakness into
strength and forces new life and the
vigor of youth into every portion of
the body, restoring the patient to per-
fect manhood. Weigh yourself before
taking it. Price 50 cents.

NO COAL, NO CARS.

St. Albans People Are Indignant Over
Street Railroad's Negligence.

St. Albans, Feb. 20.—The fact that
there is trouble with the boiler at the
power house of the St. Albans Street
Railway Co. is of no special moment to
the company at present as there is no
coal to build a fire under the boiler if
that were in good condition. It is
claimed that there is coal in transit
which will be used when it arrives and
car service will be resumed. Lack of
coal last winter also caused a somewhat
protracted shutdown of the road. Crit-
icism is not lacking over the policy that
depends on a carload supply of coal in-
stead of making provision for the very
emergency which was used as an excuse
last year.

INDEBTEDNESS DECREASED.

Town of Royalton Pays \$5,243.50 Dur-
ing Past Year.

South Royalton, Feb. 20.—The audi-
tors of the town of Royalton have com-
pleted their work on the town report.
The indebtedness of the town is as
follows: Town account, \$6,670.68;
road account, \$492.65; balance in favor
of town school district, \$886.62. The
indebtedness of the town was decreased
the past year as follows: Town ac-
count, \$5,064.93; road account, \$178.57.
In the school account, the balance in
favor of the district increased \$378.97.
The selectmen recommend a tax of
100 cents on the town and 25 cents on
the school for the ensuing year.
